**Eat Safe.
Serve Safe.
Live Safe.**

HERE'S HOW OUR 'SAFETY FEATURES' ENSURE THAT YOU 'EAT SAFE'

- Your customers can enjoy a **toxin-free experience**, as all our products are made from 100% natural materials and 0% microplastics.
- They are **backyard compostable**, so you or your customers don't have to worry about adding to any sort of toxic waste or landfills.
- **Our self sustaining state of the art facility** benefits the planet and the nearby community. How? By focusing on waste management, conserving energy and maintaining top notch hygiene standards.
- If you're wondering what's the story behind the colour of our products, the answer is simple i.e.: **WE CARE for both, your customers and the planet.** So, we don't use any type of bleaching agents, so that you can serve your customers with food that's completely carcinogen free.

WHY SHOULD YOU OR YOUR CUSTOMERS BELIEVE IN US ?

Apart from being **FDA certified**, we have been awarded multiple safety certificates by various organizations.

**CHUK DISPOSABLES ARE
MICROWAVEABLE, OVENABLE
AND FREEZABLE.**

NOTHING SHOULD COME BETWEEN YOUR CUSTOMER & THEIR EXCELLENT EATING EXPERIENCE.

- They are **oil & water leak proof**, so you can avoid staining or spillage when serving/delivering food.
- They are **super sturdy yet lightweight** so that the plate doesn't break down in foods.
- They come in **multiple shapes, compartments & sizes**, making them the best fit for every one of your cuisines.
- Our **no aroma migration**, keeps all that delicious smell locked in, so your food can smell the way it's meant to.
